

Amazing Campaign

When we started this journey, the goals were a) to complete and purchase the Bridgeway theater, and b) to be debt-free, thus having enough resources to be ready for the other amazing things God has in store for us to do. To accomplish these goals, we started our Amazing Campaign with the goal of raising \$3.5 to \$4 million dollars above and beyond our regular giving, and we are now in the final year of the campaign.

In December 2007, we renovated the space that was formerly a warehouse into our sanctuary and performing arts theater. In October 2009, we reached our first goal by purchasing the building at 9189 Red Branch Road. Well, I should say, like owning a home, we have the title to it and capital debt to prove it. Praise the Lord! Finally, we are working on reaching our second goal of being a debt-free. Reaching this goal will allow us to re-channel campaign funds, thereby freeing up the flow of fixed resources to reach out to our community, culture and world for Jesus Christ.

Taking The Lead

The core leaders of this church believed so much in Bridgeway's future that they put their homes on the line to serve as collateral when we were renovating the building in order to help Bridgeway move forward. Now, I want the rest of the Bridgeway family to be encouraged by their example and join them in playing a part in the Amazing Campaign. Together, by faith, I believe Bridgeway can do this. Every family can play a part. It will require sacrifice by all. Some will give more than others, but the amount is not my interest. I want us all to believe that God has an Amazing future and we want to be in on it.

The Call

Get in on what God is doing! Don't just watch it, participate with us all and see what Amazing things God will do! Will it be a sacrifice? Yes, but the pages are turning. Your sacrifice writes you in as a character in the Bridgeway story that God continues to unfold. You can get a front row seat and unite, arm and arm, with your brothers and sisters.

Will you invest in this eternal journey? God promises us that He will do Amazing things among us if you do (Joshua 3:5).

Dr. David Anderson

It's not just church. It's Bridgeway!
Experience the difference.
